

Terms & Conditions

1. Duration of campaign: 1 February 2023 until 31 March 2023.
2. An appropriately trained member of staff will weigh and body condition score (BCS) pets who are taken to participating vet practices during the campaign period without charge.
3. Participating practices will record the pet's name, weight, and BCS on a card that will be provided by Royal Canin and retained by the pet owner.
4. Members of the public will be able to contact the veterinary practice to arrange a suitable time to 'drop in' to have their pet weighed, but this will not be a formal consultation appointment.
5. Any follow-up appointments, consultations, advice, and subsequent charges are at the discretion of the individual practice and should be discussed and agreed with the pet owner.
6. PDSA Big Weigh In appointments cannot be made at any PDSA Pet Hospital, only at participating vet practices listed.

Scan the **QR code** to upload your pets' BCS and **receive £5 off** your next purchase of Royal Canin.
